

PRODUCT DATA SHEET

SHOP OIL

Shop Oil is an excellent value, premium multi-grade petroleum motor oil for service departments, shop fill and new and rebuilt engine run-in. Formulated for 4-stroke motorcycles and other 4-stroke performance engines.

Applications

- ◆ Provides the best combination of low-cost lubrication performance, engine protection and reliable all-season use
- ◆ Equally suitable for air-cooled and liquid-cooled 4-stroke engines
- ◆ Exceeds API SL and JASO MA2 specifications
- ◆ Recommended for new and rebuilt engine run-in

Features and Benefits

- | | |
|-------------------------------------|---|
| ◆ Premium quality at shop prices | With advanced chemistry, high Viscosity Index and shear stability for superior lubrication and film strength. |
| ◆ Superior deposit control | Reduces sludge and varnish for cleaner and cooler running engines. |
| ◆ Low volatility base oil advantage | Minimizes deposit formation and reduces oil consumption. |
| ◆ Smooth power transfer | Prevents clutch grabbing for an easily controlled and efficient gear shifting and clutch operation. |

General Description

Shop Oil is specially formulated for shop use. It is designed for topping off, service fills, as well as new and rebuilt engine run-in. It has all the superior lubrication performance of Bel-Ray's additive chemistry and high Viscosity Index, low-volatility, petroleum base oils to provide premium 4-stroke engine protection.
