

Foam Filter Cleaner & Degreaser

PRODUCT DESCRIPTION

Bel-Ray® Foam Filter Cleaner & Degreaser is specially designed for cleaning foam air filters. The product removes oil and dirt from the filter while also preventing deterioration of the foam cells – maximizing filter life. Foam Filter Cleaner & Degreaser can also be used as an engine and general purpose degreaser. Available in convenient aerosol cans, the unique formulation penetrates, dissolves and disperses grease, grime and sludge and rinses them away with water.

PRODUCT FEATURES

- Superior cleaner
- Aerosol spray applicator for pinpoint precision
- Rinses away with water

BENEFITS

- Easy removal of grease, grime and sludge on engines, transmissions and other machine parts
- Fast working and easily rinsed for reduced downtime and easier maintenance
- Will not affect metals or painted surfaces
- Harmless to electrical insulation materials

APPLICATIONS

- Foam air filters. Cleans dirt, oil, grease and gummy petroleum residue
- Engines, machinery, tools, etc. Cleans grease, grime, sludge, oil and dirt. Will not discolor metals, paint and finishes, etc.
- Industrial equipment and most hard flooring (concrete, tiles, etc.)
